Welcome to Pfizer ERT

Discussion

- 5 – Have you read the proposed OSHA fire brigade standard? If so, what are your thoughts about this new proposed standard?
- 6 – By the nature of its name, an ERT is primarily an emergency response organization. Is there a way an ERT can be more proactive instead of reactive? Should it be?
- 7 – Emergency calls in the industrial setting are not as frequent as emergency calls in the public sector. What are some ways to stay motivated and focused as a member of an ERT?

Discussion

- 1 – Is there a difference between a fire brigade and ERT?
- 2 – What are some of the responsibilities of an ERT?
- 3 – How is a fire brigade / ERT different, and the same, from a municipal fire department?
- 4 – What are some skills that ERT members need to have?
